DETAILED ACTION

Status of the Claims

Applicants' Request for Continued Examination (RCE) under 37 C.F.R. 1.114 and an amendment and reply in response to office action dated January 16, 2004, filed on December 16, 2004, is acknowledged. Claims 1-5 have been canceled. Claims 6, 7 and 11 have been amended. Therefore, claims 6-16 are currently pending.

Response to Amendments and Remarks

Claim Rejections - 35 USC § 102

Rejection of claims 6-16 are withdrawn in view of amendments to claims 6, 7 and 11.

An **Examiner's Amendment** to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Examiner's Amendments to the Specification:

On page 19 (abstract page), the title "Treatment or Prophylaxis of Ischemic Heart Disease" has been deleted.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest a method of treatment of ischemic heart disease, comprising administration to a patient a composition comprising a substance, as an active ingredient, which can increase intracellular cGMP production by acting on a natriuretic peptide receptor, and which has the effect of reducing an infarct region during ischemia reperfusion therapy, wherein the substance as an active ingredient is a natriuretic peptide

Art Unit: 1653

comprising atrial natriuretic peptide (ANP), brain natriuretic peptide (BNP) or C-type natriuretic peptide (CNP). Thus the method of reducing an infarct region and ischemia reperfusion injury in the treatment of ischemic heart disease of the instant application is novel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Claims 6-16 are allowed.
